Dear Kurt:

Re: Albion-Sheridan Township Landfill Site  
Albion, Michigan

In my letter dated April 23, 1997, I inquired as to what arrangements and contracts the EPA already has with the Gills concerning their property. Mrs. Gill advises that some sort of contract had already been signed which authorized entry for test wells, and possibly other activity. Would you please provide me with a copy of that agreement as soon as possible. In the event you don't have such an agreement, please confirm that fact. In the event the agreement was between the Gills and someone other than the EPA, such as W. W. Engineering or Cooper or Corning, please advise as to who would have a copy of the document so that we can contact them to get a copy.

Your prompt response would be appreciated.

Yours very truly,

BULLEN, MOILANEN,
